“ Q: *What will you never forget about Minerva?*
A: *My dad (your Uncle Fred) would pick me up for his weekend visit, and would drop me off at your house with My Uncle Chuy and Aunt Cecila , I would be there with you and Nana in that upstairs in that bedroom . We spent a lot of time together. When I had came home Easter 2024 you told me how cancer runs in our family and how I should get checked, I didn't think that would be the last time I would actually see you in person. I told you a few weeks ago on the facetime , to not give up and how much I loved you and I'm thankful for that moment. not goodbye, I will see you again.*
