“ So sorry Robin & all the family. I had the privilege of working with Monique for many years at Sears. She was one of the most beautiful women, inside & out, that I have ever known. Her grace & kindness made our world a better place.

“ Aunt Monique was truly a one of a kind special woman! You could count on getting at least 3 or 4 kisses when you saw her! She was the most kind, loving, caring woman I know! She loved you unconditionally!! I remember going camping with her and Uncle Ike and Aunt Dee and Uncle Ken. She was so worried I would get a fish hook stuck on me and of course the very first thing I did after getting all the lines tangeled together was get a hook stuck in my hand! Aunt Monique came running and of course the blame came down on Uncle Ike and Uncle Ken! Lol! I loved her so much! You would always feel the love when you were around her! She will be missed so much by so many! I love you Aunt Monique!! I am sure you got a glorious welcome when you went home!!! ❤️❤️
