“ *Nancy will be missed. She was DEFINITELY a fighter! I met her 3 years ago on our GM cruise, she is one of the hardest working people that I have ever known. Even after being given a death sentence, she worked, she fought, she believed. She definitely has taught me that every situation in life is mind over matter. May she rest pain free, and watch over her family. My thoughts are with all of you! What an amazing woman she was! The world needs more people like Nancy!!!*
