“ Dear Amy and Heidi and Family,\n Please accept our deepest sympathy at the loss of you mom. Even though we only knew Nancy for the short two years that we were neighbors at Liberty Villas she was such a great neighbor, always joyful to talk to and she always had something positive to say to us. I think she was always the first one up in the neighborhood, always outside giving her flowers a drink.\n We wish miss her and her little dog Gracie. May she rest in peace and may God bless you with many fond memories of your mom in the days ahead.\nMaurice and Maureen Alouan
