“ Noah and his mom and dad were our friendly neighbors, here in Toulon, for many years. We always enjoyed visiting with them over the fence and Noah loved to play with our dog, and always kept a friendly eye on things around our place if we weren't home. He was a good young man, and we will miss him. Thinking of and praying for his mom, family, and friends at this difficult time.

“ Noah and I were baptized at the Peoria Seventh Day Adventist Church. He was passionate about his relationship with God and cared about the truth of the word of God. May he rest in peace until the Lord's soon coming. God has spared this soul from the troubles still to come, but I believe I will see him again in Glory. Praise God for His promises. My heart felt condolences to the family to loose someone so young. Wish I could make the funeral, but I am committed elsewhere.

“ I live in CA and I met Noah through my sister and brother-in-law when I came to visit them in Illinois of April this year. We met at Berean church, we had lunch together and shared laughs that day. I don't know Noah very well, but I do know he loves Jesus. My condolences to his family. Rest in Christ, brother, until we meet again.
