“ *Our Condolences to Josh and Patties grand babies and all of her family. Patty was a good friend to my sister Terry Sparks, and recently I have lost my Father and my Brother and looking through paper work, I ran across a letter that Patty wrote after my sister passed. I would like to share that with you because Patty had a strong belief in God, and she missed her best friend Terry. In finding this letter, I believe you found your friend Terry, as you both entered heaven. God Bless you both! Terry's sister Pat Davis*
