“ *Becky was the best friend you could ever have.. I loved her like she was my own sister an when she was pregnant with Alicia I was right by her side through it all. I was there for delivery an even went to the nursery to feed her so Becky could rest. Becky an the baby came to my house to stay for the first 3 weeks so I could help her with the baby. I love her boys an was always there for them as well. I love Becky very much an will miss her terribly.. God Rest her soul. R.I.P. my beautiful sister until we meet again. I love you Becky.* 🙏💙💚💛❤️💜🙏
