“ I have so many memories! Donna and Bob were my best friends for over 50years. I can still hear him say "WOMAN" to Donna when he wanted to get her attention. We had so many Saturday nights over the pinochle table!!! He was a sneaky player...when he had a good hand. But most of all his love for Donna,Bill,and Rob...to this day he called his boys "little one", to me that was so enduring expression of love. I will MISS him. Tell my best buddy hello from me. 💜

“ I loved being his little sister. It was amazing to see him as a father. I remember him saying "woman" too.
