“ I will always remember Bob for his sense of humor and his helpful ways: two special memories are: (1) as a very helpful person. A few times when I was struggling with my computer, he patiently walked me step through the process UNTIL I GOT IT ...and I still remember his instructions. (2) It was easy to tease him . A special memory while visiting him and Barb in Ohio I released the “ watch’s sounds of a bird.” Bob truly believed a bird 🐦 had entered the house. He started looking everywhere. He looked under the sofa, behind furniture, etc. He truly wanted to find the “poor bird.” When he was told about the watch he bursted into a laughter and joined us in the joke!! When I was told about he “getting his Angel’s Wings” immediately I remembered the “ watch incident”- Dear Bob, you memory will always be in our ❤️ heart 💜 - Love you always dearest friend...Until We see you again 🌹🌹 !! I will

“ Bob married my first cousin Barb. He always had a smile that would light up the room. When I was in grammar school, I asked him to become my god-father for my confirmation ceremony. I remember how it shocked him that I had asked him. I wanted him to feel welcomed to our family after just getting married to Barb. He was a wonderful man and will always hold a special place in my heart. I will
