“ *I wish you could have a cell phone in heaven so I can talk to you because I miss you. A lot. I love you Mom*💙

“ *So many memories of good times with Sandy. Five years ago she became my neighbor. On nice days we were always on the go with her grandkids and my son. Parks, zoo, parades, walks, swimming...I could go on and on.*

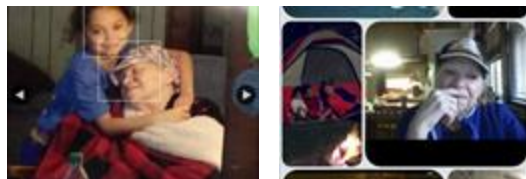

Sandy was loving, caring, full of life. Always made me laugh, was a ear for listening and a shoulder to cry on when needed. My son adored her like no other! She was his Sandy. My heart breaks for everyone that was torched by Sandy. My condolences goes out to family during this tough time. Just know that God decided he needed another Angel in heaven and that she is no longer suffering. Really gonna miss my dear friend. Until we meet again Sandy, Fly High and I'll see you on the other side. Love ya lady!
