“ *My favorite memory of your Mom isn't appropriate to put on here! She was one of the most considerate, one of the strongest, and the sweetest woman, that it was my privilege to know and love. She always had a warm hug, a smile, and a kind word for whoever was lucky enough to know her. Her faith in God was awesome to see! To say we are sorry is an understatement. Her loss is definitely Heaven's gain! Our love and prayers for all of you, her children, her grandchildren, and her great-grandchildren. 💖*

This wonderful lady i have only known as Grandma Ann. When i came into the family 19 years ago the very first time i met her she gave me a hug and said u can call me grandma ann and i have ever since. She always gave a welcoming warm home for anyone to come visit. I always thought of her as one of the toughest grandmas ever, she lived and loved hard. Imma miss you grandma ann! R.I.P 🍷🐱💕💕
