“ *I'll never forget the day you came knocking on the studio door to reunite your mom and mine. I have so many fond and crazy memories of Bell/Belle Plaine Streets. From the paranhas, bozoroni, the food your mom cooked, is sneaking out, getting in trouble, and our mom's hopping the fence at night at California pool! Haha. Your mom was tough, but so kind to us. I loved her very much and so sad she is no longer with us. My heart breaks for you. I'm very sorry for your loss. Love you, Lish! XOXO*

“ My mothers fondest memories were of the times we had when we lived on Bell Street. She always told stories about everyone and all the crazy wonderful times we had there. She's spent the last 15 years in Peoria. She was surrounded by loved ones and her walls were covered with pictures all the kids colored for her and her desk covered with things they made for her. She was a loving grandma and (a cool one LOL). We all miss her terribly. I miss you so much Mom. I love you XOXO
