"The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul; he leadeth me to the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for Thou art with me; thy rod and thy staff they comfort me. Thou prepareth a table before me in the presence of mine enemies; Thou anointest my head with oil, my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord forever."

“ A grandmothers love is like no other, it is unconditional, and it is pure. No one prepares you to lose the strongest piece of your puzzle! There will never be another person to fill this void! As she would say “we need to thank god for allowing her on this earth for 77yrs” because to me she’s always been an angel and she will continue to be just that! I pray my dad was with her waiting on the other side to guide her to glory road to her finish line if you will! I won’t even drink a cup of coffee the same. What I’m trying to say is grandma I’m going to miss you and I’m so thankful you were chosen to be my grandma I will forever be grateful for the strong woman you helped me become. Here’s to you grandma 💜 ps please keep sending us signs down here
