Hi Christine. I'm sorry it took me 2 years to get back to you. This is Shauna's sister, Noelle Hartman. I literally talked to her 2 weeks prior. She was very unhappy with the now deceased husband, Reese. She confided in me about the abuse she endured and how awful the in laws were. As you can see, they didn't even give her a proper obituary. The Hartman family paid for her urn and cremation. They never sent us condolences. She was afraid of Reese, and there was fentanyl in her body. His stories changed several times about what happened, but I can't prove anything. If you know what I mean. Karma got him a year ago and I am glad. How can I ignore the fact she said to me "If anything happens to me, it was him." Anyways, that's the gist. I miss her so much. She was my buddy and sister. Thank you for coming to her "Page." Hugs💜
