“ *The Family of Shirley Paul,*

I was sorry to read of the passing of your Mom. What a great lady! I so enjoyed the years seeing her when I worked at WABCO/Komatsu many years ago. She always had a smile, was a great cook, and we shared so many laughs even after I left the company and she had retired. My heartfelt sympathies to all of you. God's Blessings to all of you.

“ *What a beautiful picture of Aunt Shirley...her smile & those beautiful blue eyes says everything that she was and more. Knowing how much she suffered and is now at peace and with Uncle Donnie, Jimmie, Bob & Chris in eternal life, makes her passing a little easier. My thoughts & prayers have been with you all...I'm sure all of her Grandchildren are taking this hard - she was such a super Grandma too! I understand when the Lord calls our loved ones home, he leaves a gift of memories in exchange and memories are the legacy of her love. Hold on to them & let them help guide you during this time of sadness. All our love, Joy & Kevin*
