“ Laurie and family. I'm shocked to read about Steve and hope the loving memories you shared will help you through these trying times. Always remembering the fun times at Ruth's house over Christmas. My heartfelt condolences to all.

“ I just wanted to send condolences. Steve lived one block away growing up. He taught me how to make my Sting Ray bicycle into a chopper. We spent hours finding pipes and cutting and fitting them to our bikes. We were trying to be like Easy Riders. I'm glad that he enjoyed so many good years on his Harleys.

All the best,
George Coker
