“ *Timmy we were just getting our lives back together when God called you home. I am so thankful we were able to get together and spend time together with mom. The best is the last time we saw each other and we hugged and told each other we loved each other. What a memory to hold on to. I love you and will miss you, please tell daddy and grandma and grandpa hello and we will be home soon. Don't worry about Pam we will take care of her. Your big sister, Terrie.* ”
