

Tina Marie Decker

August 10, 1968 - July 24, 2021

Tina Marie Decker (Moore), born on August 10th, 1968 passed away peacefully on July 24, 2021 11:45pm with her loving daughter (Andi Marie Smith) & husband (Robert Lee Decker) by her side. Tina was described as the most caring, loving, funny, selfless, independent, and stubborn woman anyone could meet. There wasn't a moment in her lifetime that she ever let things get in her way or stop her from doing what she wanted or needed. Tina was a 'Go-Getter'. This was true all the way until the very end of her fight! Tina would give you the shirt off her back if she saw you were struggling. Her willingness and strength to help others went above her own needs, no questions asked! She had an endless love for her ALL her grand babies. They will forever remember her by the name of Maw-Maw T! Each and everyone of them carried a special place in her heart and were the center of her world. She also took in her step children (Brittany & Joey Kacir, Tiffany & Ashley Struben, and Brandon Decker) as children of her own from day one 28 years ago. We also can't forget her love that was out of this world for horses, dogs, or any animal that crossed her path. Last but not least Tina had the most contagious laugh, most beautiful, genuine smile, and a mischievous giggle that we will carry in our hearts forever!

Tina was loved by many and will be deeply missed by all that we're lucky enough to have her in their life. Please keep her loving family and amazing friends in your thoughts and prayers during this difficult time.

The family plans to hold a celebration of life on September 19th, 2021. The details for this are to be shared on Facebook once they are ironed out. The family asks that you please save this date to honor and remember our beloved Tina Marie.

“ Where do I even begin, I had the best sister n law ever. When I needed to talk to someone she was always there to lend an ear and would just sit there and listen and would give me the best hugs ever...Im going to miss her out of the blue text messages "saying hey girly what you doing," just because she was bored and wanted to say hi. I will miss her beautiful face,smile and most of all her laugh. She was such a caring, loving person inside and out. RIH my sweet sister n law..I will see you again and when I do I am giving you the biggest hug ever...PRAYERS TO MY BROTHER AND MY NIECE AND I LOVE YOU BOTH SO MUCH.
