

Tina T Redman

August 20, 1975 - August 8, 2023

Anyone who knew Tina would tell you she was a goofball. If you were with Tina, you were laughing. She didn't have a shy bone in her body and everyone around her would be affected by her hilarious sense of humor.

But those who knew her would also tell you how kind-hearted, generous and supportive she was when ever you needed it. She always had the right words to encourage you, life you up and inspire you.

The world is definitely dimmer without her in it.

Tina, you were loved by so many and will continue to be loved and missed. But we'll see you on the other side where you'll meet us with a huge smile and hugs saying "Come inside, come inside."
