“ I'm very sorry to hear of Tony's passing. I send condolences to his family. As a regular at Khaki Jack's for many years, I was used to seeing Tony just about any time I went in there. He was always friendly, and I enjoyed talking to him. After Khaki Jack's was sold, I'd run into Tony at The Last Chance and The Last Hurrah. It was always good to see him. He will definitely be missed. Mike Rinella.

“ Deb, we were so sorry to hear about Tony. What a great guy. Every time we went to Khaki Jacks and saw him there, he made us smile. He was always so helpful, accommodating and fun. Our daughter loved him and Khaki Jacks. It was the first place she wanted to go whenever she came home from college. I pray we can all meet again, good lord willing. Thank you for so many fond memories. Ray and Sally Forker.

“ *It was such a pleasure working with Tony at Caterpillar all those years. I remember too what fun he was in high school (even though I went to Washburn) we hung out in Toluca. My deepest condolences to all of his family, I know he will be missed. Be comforted by all the warm memories.* ”

“*Debbie and Nick -- Nancy and I are so sorry on Tony's passing. Tony and I were great friends since first grade at St. Ann's and remained that way ever since. We had some great times together growing up with some I can talk about but others better left unsaid haha. Even when we hadn't seen each other or talked for long time -- we started up like old times. I know he was suffering over the past few years but when we talked -- he always seemed so up beat as nothing wrong. I really enjoyed our more frequent calls over the past few years and I will really miss them. Tony was a very special person and a very special friend . He will be missed. Nancy and I wish you the best as well as Judy. God bless Tony! He will be greatly missed.*”

“*I got to know Tony through my friendship with Nick. I quickly learned that Tony could be the life of the party and at the entrance of Khaki Jacks, he WAS. Just one of the funniest and most genuine guys. I always noticed that when he ended a conversation with Nick or was leaving to go somewhere he always ended the conversation with “Love you”. It sounds simple but I think about it often now that I'm a dad. We should all remember to say it more often to the people we care about most. My deepest condolences to Deb, Nick, and his extended family.*”
