“ *The funniest thing I did with my two boys when he was here in Texas was, Ty, David and myself went to a Korean restaurant that has a buffet, we were having lunch and bonding when low and behold, my dentures fell out my mouth in the middle of eating, they cracked up, but me being who I am just wrapped them up in a napkin and kept eating, the boys laughed so hard till we just eat any more so we took the rest of the food and kept it moving. My last time with my son, and I can still hear us laughing, sleep on my son moma D loves you 4:Eva and a day*
