“ Kim, Randy and I are sorry for your loss. God gives us parents to teach and guide us for the journey of life we have ahead. When their job is done they must return home. I know your heart is heavy right now but time will heal your pain. I didn't know your mom but through my interactions with you God will say to her "Job Well Done". Keep the faith and let her legacy through you live on. We will keep you and your family in our prayers and if you need anything please don't hesitate to ask.
