“ Virginia(as she liked to be called) Jenny has been around myself and my family ever since I was around 7/8yrs old,which her and my mom(Mila Betteridge)were very close with each other in their friendship,which we usually introduced ourselves as family. Losing Jenny like this has definitely put a whole in my heart,because she was someone who I spoke with every week atleast one time,but probably more than that tho,but I do know that my mom is already lost with out you Jenny,cuz she's called me the day before yesterday,and her voice was all horse,cuz she had been up all night crying 😭 her eyes out. You were definitely her best friend Jenny!She's not gonna know what to do for a while,cuz every morning you both called each other back and forth all day long until you both figured out what it was that you guys were planning on doing for that day,but when you guys were together you had a great time with each other talking to each other and telling jokes. We were definitely BLESSED TO HAVE HAD YOU IN OUR LIVES JENNY/VIRGINIA. WE ALL MISS AND LOVE YOU SO VERY MUCH JENNY
