“ Wendy was a very good person to me when I was around the family. I remember going to her house plenty of times and just sitting there and having conversations with her about life. She was a great aunt to my girls Jazmine and Julia when they were little about 1 and 2 years old, she would buy them toys and outfits out of the blue for no reason other than she loved her Nieces. She would also buy my son Joey toys as well, she was a very good human being and I truly enjoyed spending time with her. She will be missed. She is up there with her mom now watching over everyone. Flying high with the angels no longer in pain. May she R. I. H.
